## IN BRIEF

Here we have a well-renovated four bedroomed house with a generous-sized two-bedroomed gite attached - perfect for visiting friends and family or to provide a useful additional income. At the front of the house there is a driveway with parking for several cars and a large garden that runs along the side of the house and then to the rear. There's plenty of outdoor space for the owners of the property and for gite visitors to have their own private area as well. In addition there is a large barn with two floors that has huge possibilities for someone looking for a bit of a project!

The property is just a nine minute drive to the market town of Melle which has supermarkets, bars, restaurants and an open-air swimming pool.

The location is an excellent base for day trips...
