DESCRIPTION

These properties are currently being run as a successful gîte business, consisting of a traditional three bedroomed farmhouse and three separate two bedroom gîtes, all with their own patio areas.

As well as the large living/dining room overlooking a pretty grassed courtyard, the main farmhouse benefits from a well appointed kitchen, downstairs WC, office and conservatory which leads out onto a covered outdoor eating area with a brick built BBQ.

Upstairs there is a master bedroom with en suite and built-in wardrobes, two further double bedrooms and a family bathroom.

All of the buildings have been recently re-roofed and there has been a new 8000L septic tank installed.

The grounds boast a large lawn set out as a children's play area leading to a 10 x 6m swimming pool with terraced surround and large pool house/cabin.
