NOTES

DESCRIPTION

The first striking feature on entering this lovely home is the open-plan, split-level living and dining space with open-fireplace and open-beamed cathedral ceiling. The views from here are gorgeous and there are numerous points of access from here onto the terrace. One of the bedrooms, this one currently used as an office, can also be accessed from here. The fully equipped separate kitchen is accessed from the dining area and also has direct access onto the terrace. Still on the ground floor and overlooking the pool, the master bedroom has a Jack and Jill bathroom. There is a second kitchen/utility room, also with terrace access.

Access to the two first floor bedrooms is via the open-plan staircase up to the minstrel's gallery on the mezzanine floor, that gives access to these lovely bedrooms with a spacious, shared balcony. The bathroom shared by these two bedrooms is also accessed from here, as is the loft that offers lots of storage space.

Central heating/airconditioning is ensured by the recent heat-pump installation installed in the attached garage. There is a separate workshop/garage with separate access in a lovely corner of the extensive 4000m² grounds. This building is ideal for conversion into an independent gite.
