# IN BRIEF

The new Rennes is moving towards the magnificent TGV station and its EuroRennes business district, the nerve centre of life and connections in the Breton capital. LE KASTELLAN will be built just a stone's throw from this new centre, in the quiet, highly sought-after Sainte Thérèse district. The new building will be located in the heart of the city, with its well-designed facilities and access to a multitude of services (shops, metro station nearby, etc.). These are the attractions of a dynamic city, constantly on the podium of the French people's favourite cities.
