NOTES

DESCRIPTION

We enter into the restaurant with a bar and tables. The beautifully large windows fill the room with light and allow for a look into the garden and the river. From here we can access the toilets, the kitchen, the reception desk of the hotel and the second room that is currently used to rent out and used for groups. Both this room and the reception desk have a separate access each.

The business and the premises are offered for sale jointly, it is also possible to buy only the business. It is not possible to buy only the walls without the business.

The terrasse and garden are completely isolated from the road and make for a lovely place to be. There is plenty of green and from the terrasse we look straight onto the river Vienne. A unique location that will enchant you.

From the reception, there is access to the staircase leading to the first and second floors of the hotel. There are 11 rooms in total, 7 on the 1st floor, where is also a small lounge with comfortable sofas and seating area for guests, and 4 rooms plus an apartment on the 2nd floor.

At the bottom floor we find several rooms for storage and a two door garage. The gas based central heating heats the whole property. The property is connected to mains drainage.
