DESCRIPTION

This gorgeous property has many original features, and has had some beautiful renovations, including extending the living space into the attached barn, and remise beyond.

It comes with an equally characterful 'Petite Maison' which would make an ideal Gite rental, or permanent rental should you so wish. It would also provide accommodation to friends & family coming to stay, or for living with you full time - but with real independence.

The main farmhouse has been run as a Chambre D'Hotes (B&B) in the past, and is ideally suited, with 4 large bedrooms upstairs, and with a 5th bedroom in a separate area downstairs for the proprietors to maintain privacy.

The Farmhouse:

The kitchen, has traditional French doors that open out onto the front courtyard area allowing for a lot of light. This is your typical French Farmhouse kitchen complete with large dining table and wood burner.

The Dining Room / Lounge, is equally grand, it has French Patio doors to the front of the property, and it even has it's own little cocktail piano-bar that opens out onto the stunning views at the rear of the house.

Moving Upstairs, there are 4 large bedrooms leading off a good sized hallway. All the bedrooms are tastefully decorated and in keeping with the character of the farmhouse.

There is a bathroom and a separate WC at the end of the hallway, and opposite there is a good sized linen cupboard / store room - Perfect...
