IN BRIEF

This detached property enjoys a commanding position on the outskirts of the pretty village of Loscouët sur Meu. The views from the house are spectacular and the location is peaceful. Partially renovated, it would allow you to live in the house and continue the renovation works. There is already a working kitchen-diner and shower room, plus two large bedrooms. The third room upstairs would make an ideal third bedroom, it just needs a window. The house sits nicely in a plot of over 1.5 acres, with the majority of the land located behind the house. It is flat and could therefore be used for many things, from keeping horses to growing your own fruit and veg. There is a garage, plus other outbuildings that offer superb potential for future development.
