DESCRIPTION

SOLD - A Béarnaise house in need of some renovation, which is central to a very beautiful and popular village, in the heart of the French countryside, only a short drive from both Navarrenx and Sauveterre-de-Béarn.

The house is very spacious and ready for modernisation into a stunning family home. There is enough room to create a small B&B, and enough land to the rear of the house to develop or to start a small rural business - all subject the usual planning and application processes.

The front door takes you into the central hallway with the original oak staircase and cloakroom underneath. The large study to the left is ideal for working from home and features the original stone floor.

The main double aspect reception room is the heart of this home, with lots of room for a large dining table and access to the moderate gallery kitchen. The back door leads to a patio and the delightful sunny garden.

The main staircase takes you up to the main bedroom and two smaller guest rooms and two bathrooms, one of which could be easily changed to create a master bedroom with ensuite.

Further on is the 70m2 gallery with an impressive vaulted ceiling which makes this property so special. It features a south facing balcony and a mezzanine library. It's ready to use as a fabulous family lounge, and would also be perfectly proportioned for use as small business,...
