DESCRIPTION

You'll surely be impressed upon entering this meticulously preserved home where you'll be welcomed into an expansive hall traversing the length of the house decked out with high ceilings, gorgeous geometric floor tiles and loads of character.

To the right of the entrance, you'll find a spacious and bright 21m² dining room with a stunning marble fireplace. This dining room is connected to a recently renovated kitchen that is loaded with light and would inspire any home chef.

To the left of the stately hall is the 18m² living space, also featuring beautiful tiled floors and a marble chimney, the perfect place to relax and enjoy tea with friends.

Also on this floor, you'll find the first of four bedrooms, 11m², currently being used as an office and featuring terracotta tiles and also bright and airy much like the rest of the home.

To the left of the office and across from the magnificent stairwell is a 6m² shower room with a WC.

There is a door that leads to the first of 2 mammoth-sized garages, measuring 105m² and the second measuring 41m². There is plenty of space for multiple cars with the potential of expanding the living space by creating a separate apartment if you'd like. There are stairs leading to the attic space (103m²) and also a door that leads to the garden.

In the garden, you'll find a summer kitchen...
