From may to October there is an excellent rental market for road cyclists and tourists that come to the area. This is mainly due to Bourg d'Oisans' world-wide reputation for being central to the many famous cycling routes of the Tour De France especially the 21 bend climb to Alpe d'Huez. Bourg d'Oisans also serves as a base for skiers in the winter months as it offers the choice to easily access several ski domains, namely Alpe d'Huez, Les Deux Alpes, Oz & Vaujany & Omon. A new telecabin linking Bourg d'Oisans directly to the Alpe d'Huez ski area is scheduled to be completed by 2025 and will be a real game changer for the town all year round.
