IN BRIEF

Ideally located between Antibes and Cannes, Golfe-Juan inspires a calm and simple lifestyle with good public transport links to Nice Airport, Antibes, Cannes and Nice close by. This seaside resort, with its historic port and its red and yellow ochre facades, is an icon of the French Riviera.

The development integrates 147 housing units into a natural park with no surface parking spaces, thus keeping the priorities of pedestrians at its heart. The right architectural solutions were easily found to enhance the quality of life and the interior and exterior living spaces. The use of noble materials for the facades, such as stone for the lower sections, glass and lacquered aluminum for the railings, and hydraulic coatings will guarantee that the appearance will last.

Finally, very generous outdoor spaces have been designed, in the form of terraces and balconies, as
