DESCRIPTION

Country Living on the Edge of Narbonne – Space, Light and Mediterranean Charm

Just minutes from the historic centre of Narbonne and less than 20 minutes from the region's most beautiful Mediterranean beaches, this spacious character home of around 330 m² sits on 7,400 m² of land surrounded by rolling organic vineyards. Built on the foundations of a Roman villa, it captures the very essence of life in the South of France — space, sunshine, and serenity.

The main house offers generous proportions throughout, with high ceilings and a welcoming flow. On the ground floor, you'll find an open-plan living area (approx. 40 m²), a kitchen, a study, a games room, a guest WC, and a bedroom with its own en-suite shower room.

Upstairs, there are three large bedrooms, one with an en-suite shower room and two sharing a spacious bathroom, along with a light-filled artist's studio (approx. 37 m²) and a dressing room.

At the top of the house, under beautiful exposed beams, a fully renovated loft apartment offers an independent living space with a bedroom, shower room, and bright open-plan living area.

Outside, across the sunny terrace, a well-equipped summer kitchen invites relaxed outdoor dining. The property also includes several garages and outbuildings, a raised vegetable garden, a fruit orchard, and even its own authentic tipi — a playful touch in this peaceful Mediterranean setting.

Quiet and self-contained, yet with easy access to shops, transport, the motorway and the beaches, this lovingly maintained home offers both privacy and convenience....
