### **NOTES**

### DESCRIPTION

From the little-used roadside, the beautiful wrought iron entrance door sets the tone. It opens onto a beautiful 7m2 hallway that leads into a 24m2 kitchen with double doors, one of which opens directly onto the lovely terrace. This room is fitted with a wood-burning stove and plenty of storage space. The architectural details of fine bourgeois houses are striking throughout: parquet flooring, fireplaces, woodwork with attractive frames....A bright 15m2 lounge on the garden side adjoins the kitchen. The lounge can also be accessed from the entrance hall. We now return to the 1st floor via the beautiful wooden and wrought iron spiral staircase, arriving on the 10m2 landing that houses the first 15m2 bedroom, which communicates with a 7m2 shower room with WC, a second 11m2 bedroom that also communicates with this shower room, and finally, back on the landing, a WC and shower complete this level.

The staircase then leads to the second floor, which has the same layout with its two bedrooms and large I Im2 bathroom. A few more steps take you up to the fully insulated attic.

Back on the ground floor, and in the kitchen, we head out onto the terrace, which is so peaceful, what a privileged space!

You'll be able to enjoy sweet moments of conviviality with family or friends in the shade. Here, it's hard to believe you're in the centre of the village, what a luxury to be able to enjoy this beautiful outdoor space just a stone's...
