The first house consists of a large open plan ground floor with fitted kitchen and wood burning stove. Large windows, exposed beams and lovely terracotta coloured tiles make this a charming living space. Upstairs are three bright bedrooms with views over the garden and countryside, and two modern bathrooms.

The second house has an equally charming open plan ground floor with fitted kitchen and woodburning stove. A rustic handmade staircase leads to two nice bedrooms and a family bathroom.

Attached to the property is a large open barn, a second barn that had begun to be renovated and includes an above ground pool. A separate large workshop offers a multitude of possibilities.
