IN BRIEF

Very nice village terraced house with a kitchen with a wood burning stove and a cellar under the kitchen. From the kitchen area there is the living room also with a wood burning stove and doors leading out to the pretty courtyard that is quiet and private. There is also a small storage room which is good for storing all garden furniture during the winter months. There are three upstairs bedrooms, a shower room with a toilet plus a second separate toilet. This could easily be used as a perfect lock-up-and-leave holiday home, but could also make a nice permanent home.
