DESCRIPTION

...

Built in about 1650, this charming manor house of 329m² is in a rural hilltop location, yet is just a short drive away from the local village, where you can buy bread, and from several small towns with supermarkets. The property is in the picturesque Jurançon wine area - a veritable haven of peace and tranquillity!

The property comprises the main house of 225m², which has three bedrooms - and an adjoining guest cottage/gîte of 97m², which has four bedrooms. Should you wish to use the property as one huge house with seven bedrooms, it would be relatively easy to create internal access between the two buildings on each of the three floors.

From a quiet country lane, a short tree-lined entrance drive leads down to the property. There is a double garage for covered parking, as well as an outdoor parking area in front of the main part of the manor house.

From the parking area, a paved path leads up to the front door. To the left of the path is a south-facing courtyard with a sunny dining terrace, as well as a covered seating area where you can dine in the shade.

The front door of the manor house opens into an entrance hall with a WC and a traditional wooden staircase to the upper floors. To the left of the hall is a spacious kitchen, which has a small dining area, a large pantry and a door out to the garden and swimming...
