DESCRIPTION

The front door opens onto a hall leading to a large dining room with open fireplace. Still on the ground floor, a well equipped family kitchen opens onto the garden as does the comfortable living room. A ground floor bedroom, currently also used as a billiards room with separate bathroom, could provide an independent downstairs suite. On the first floor there is a family bathroom, WC and 3 good sized bedrooms. On the second floor there are a further 3 bedrooms, one with ensuite facilities, and a seating area that could be used as an office or play room. The house is in good condition with some rooms having been recently updated. There is plenty of scope for further improvement but the house is perfectly habitable in its current condition.

The house is in the heart of a small, quiet village and offers a country residence with all the benefits of being connected to a local community.
