IN BRIEF

This former schoolmaster's house, situated in a hamlet location, is beautifully presented. The spacious accommodation of the main house is set over three floors, and there are also two adjoining apartments.

The properties are arranged around a large grassed courtyard, with a separate terrace both in front of one of the apartments and the main house.

On the ground floor are a living room with log burner, a kitchen and a utility room. There are two bedrooms and a shower room on the first floor, and a third bedroom and large bathroom can be found on the second floor.

With some work required, the adjoining old school rooms could be updated to create two separate properties. Both comprise a living room/kitchen, shower room and separate WC on the ground floor, and each has two bedrooms on the first floor.
