NOTES

DESCRIPTION

This architect designed home was built around 1980 and is situated on a quiet lane in this peaceful friendly village with a population of around 130 residents and an average altitude of 433 m.

Exterior/land

You turn into the driveway of the house with parking, external lighting with a garden with bushes to the right and a garage, patio area and the house to the left.

The property has a garage with electric door, electricity, window with grill and a storage area/workshop.

To the side of the garage is a patio area shaded by trees for hot summer days with a covered wood store, a hose pipe connected to mains water and a gate that gives access to the land at the rear of the house – your first glimpse of the outstanding panoramic views afforded by this home.

To the other side of the house a gate opens to the garden at the side with an additional hose pipe.

The house is south facing with an enclosed garden that looks out to the mountains, it is a view that takes your breath away.

The garden has flower beds, trees, a potting/garden shed profits from sunshine all day.

HOUSE – GROUND FLOOR

From the driveway you pass the main door into the entrance hall with:

- Reversible heat/air conditioning unit (Mitsubishi)
- Alarm
- Spiral staircase to the first floor
- Door into the kitchen/dining area.
