DESCRIPTION

The residence sits in a great spot in resort - the piste is just behind the building and there is always plenty of parking to the front (the property is sold with one covered parking space as well). Upon returning to the building, you can put your boots and skis in the private ski locker with boot driers, and as the property owner, you would also have your own lockable storage room for personal items.

Heading up to the apartment either using the lift or stairs, you arrive at the apartment and upon entering, you move into an entrance hall with storage. Just around the corner, this opens out into the large open-plan living room area with fully equipped kitchen area, sofa area next to the fireplace and a substantial dining area that can accommodate all the guests within the apartment. From this area, you can access the outstanding balcony with incredible views that gets bathed in the afternoon sunshine.

This floor houses 3 double bedrooms (2 of which have en-suite bathrooms, and the third has a bathroom next to it). The remaining 3 bedrooms are located on the top floor of the property, along with 2 bathrooms and one of the bedrooms has its own balcony as well.

The property is sold with a ski locker, cellar and private parking space. Floor plans are available on request.
