IN BRIEF

Nicely situated in a small hamlet with only one other property, overlooking the surrounding countryside, and just under 10 km from Montcuq. This charming stone property has so much to offer. It has been partially renovated and now offers an open-plan kitchen/living area and 3 bedrooms. But the possibilities are endless! You could further expand into the attached barn, go down into the garden level (basement) rooms or simply further divide the huge 3rd bedroom, which is currently 94 m2! An abundance of space. The manageable garden (3300 m2) looks out over beautiful countryside. A must-see !
