DESCRIPTION

This property is situated in a small hamlet with no through road between the towns of Thiviers and La Coquille.

The stone cottage needs to be renovated but consists of one room (approx 50m²) on the ground floor and the same size room on the first floor. Some work has been started and there is electricity and water on site. A septic tank is needed.

Attached to the house, there is a large barn of approximately 80m². With the correct planning permission, this could be converted to create additional living space.

The land of around 3 acres stretches down to the two lakes at the bottom. The lakes are source fed. They measure approximately 3000m² and 600m².

Across the lane from the house, a parcel of land with an outbuilding (in need of immediate attention) completes the ensemble.

The town of La coquille is at 6km and the town of Thiviers at 10km. Limoges airport is at 50km from the property.
