## DESCRIPTION

The property consists of an old semi-detached house in poor condition spread over two levels & in need of complete renovation. There is a vaulted stone cellar underneath & an attic in poor condition above. Both are already hooked up to electricity.

Attached to the house is a beautiful huge open stone barn laid out over 3 levels with another vaulted cellar below hooked up to electricity.

Connection for all utilities (water, electrics, & drainage) are in immediate proximity allowing easy hook up.

The property includes a plot of land to create up to 3 parking places within 70 meters of the house & barn.

Planning permission was previously granted to convert both the barn and the house in to 3 separate apartments allowing you to have your own place to come and go as you please while renting the other two apartments out for holiday lets or long-term rental.

This is a wonderful opportunity to create your dream home & put your own stamp on the property as you are starting with a blank canvas with lots of volume for creativity.
