NOTES

DESCRIPTION

Village centre property, previously the village epicerie, comprising a three bedroom semi-detached house of 150m² living space with rear courtyard of 70m² and separate semi-detached garage of 55m² floor space.

The house is in good condition and habitable right away. There is oil-fired central heating and electric hot water heaters and it is connected to mains drains. The windows are single glazed.

The house comprises:

On the ground floor:

Large fully fitted kitchen (25m²) with enough space for a breakfast table and with a staircase leading to the first floor.

Living room and adjoining dining room (26m²) with open fireplace (regularly used and maintained/cleaned) and access to the enclosed rear courtyard. A cellar (18m²) can be found under the house where the boiler and heating oil tank are located.

On the first floor:

Central corridor (17m²) which leads to all rooms and also has access to the attic.

Bedroom 1 (14.5m²).

Bedroom 2 (14m²).

Bedroom 3 (15.5m²).

Bathroom (15m²) with bath and over-bath shower.

WC (1.5m²).

Outside, there is a fully enclosed stone paved terrace of 70m² at the back of the house. A separate building, just across the road, is also being sold with the property. With 55m² floor space, a good roof and a high enough ceiling to add a first floor, this offers great renovation potential (either as guest accommodation or to rent out for a modest income).

A lovely village centre property, within walking distance of amenities and offering great potential.
