DESCRIPTION

Picturesque barn with no one overlooking. Approximately just over 80 sqm floor space on the ground floor. Its land surrounds it as it sits in the centre of its plot. There is a fosse septique installed but it is non conforme as are many because of new regulations and water connected. The CU (certificate of urbanism) has actually expired so a new would need to be applied for.

It is close to Dun Le Palestel with its supermarket and local amenities, around 8kms and 75 kms to Limoges with its international airport.

A lovely project with the correct permissions, a real chance to make that dream home.
