DESCRIPTION

The main living space is upstairs. A generous entrance hall gives access to the 28 m² lounge/dining room with its south-facing terrace. A central corridor with built-in storage cupboards gives access to the kitchen (11m²), WC (1.5m²), bathroom (4m²) and 3 bedrooms (14.7 m², 14.8m², 11.5 m²). Double glazed windows. A light-filled staircase leads to the basement hallway (2.20 m high ceilings), which gives access to a south-facing 30m² living room with its welcoming terrace. Two bedrooms (13.5 and 8.7 m²) and a shower room complete this private space, which could also be used to create rental income or a workspace. This house benefits from a class "D" energy rating and is heated by a recent gas-fired boiler that efficiently feeds cast-iron radiators. The large 25 m² garage can also be accessed via the basement.
