DESCRIPTION

Gite 2 – with lounge, corner kitchen, and a WC on the ground floor, and a bathroom and bedroom on the first floor.

There are three further buildings in the courtyard which could also be renovated to create additional accommodation.

Externally, the grounds are extensive and well maintained and the all-weather outdoor kitchen provides a large al fresco cooking and entertaining space. Directly behind the kitchen is a large workshop/garage, and adjacent is a large hanger. There is also a stable, and a further building which is currently equipped as a gym.

Across from the properties are the heated pool and terrace, and a large grassed area with ponds and a greenhouse.
