DESCRIPTION

VILLA CYMA offers apartments ranging from 2 to 5 rooms, including a 4-room duplex and very beautiful private garden-level units.

A beautiful address in a renowned neighborhood... Cimiez.

Cimiez is one of the most iconic neighborhoods in Nice, known for its calm and tranquility, away from the hustle and bustle of the city center. A true architectural gem, besides its cultural heritage, this neighborhood also offers an exceptional quality of life with many amenities and services: schools, local shops, sports facilities...

The architect's word:

"To integrate gently and sensitively into this magnificent Cimiez neighborhood was our guiding principle. The measured volumes, proportions, colors, and materials are inspired by the place. Natural light plays with the multiple orientations of the apartments. Our residence is enhanced by typical gardens with a strong vegetative impact. Everything contributes to perpetuating the art of living well in this high place of the Niçoise hills."

The finishes of the apartments are designed to be demanding in terms of comfort and security for a lasting investment: the layout of living spaces, the quality of materials and equipment, secure access, and the latest regulations in thermal and sound insulation reflect this.

The apartments of VILLA CYMA are equipped with towel warmers, vanity units, stoneware tile flooring, smooth paint, roller shutters, videophone, and more.
