IN BRIEF

An impressive stone barn, with the possibility to create 2 levels, both with high ceilings, and beautiful views. Both the walls and roof seem to be in good condition, with the roof redone by previous owners around the year 2000. Previous planning permission to create a 4-bedroom house has expired and needs to be renewed. Small garden in front of the property, with a smaller stone shed. Most of the land is woodland, sloping down from the property, thus providing excellent views.
