Particulars for off-plan purchases are intended as a guide only. Final finishes to the property may vary. Purchasers are advised to engage a solicitor to check the plans and specifications as laid out in their purchase contract with the developer.

DESCRIPTION

This beautiful property has got it all: a great location close to the lake Boumazel, well known for its beaches and bar.

You will be in a calm area yet close to the village.

The house has been updated and offers all modern comfort.

A lot has happened in the last three years: the house got a new roof tiles, updated electric wiring, updated plumbing and tiling (floors and bathroom), double glazing, a new kitchen, a new bathroom, and a new pellet-heating system and brand new, up to date water heaters.

The house has become an efficient work/living property and is ready to move into.

The possibilities are endless!

There is already a modern guesthouse of just over a 100M2, which can be rented out as an extra income.

It is big enough for a family of three. The guesthouse has been redone completely: a new kitchen, a new lounge, new bathroom with a bath and a walk-in shower, a toilet and two lovely bedrooms upstairs. The gîte can be connected to the house but is an independent dwelling if needed. The large attic has an insulated roof and can be converted into more habitable space. The garden is flat and easy to maintain. There are newly planted fruit trees.

It is possible to create a second gîte in the part where the tower is.

Seilhac offers most amenities: restaurants and bars, a supermarket, a vet, a medical center, a DIY shop/garden center etc. but also the smaller shops like bakeries, butchers,...
