

## Architect-designed villa in Limoux | 1300 France South West on a large, magnificent plot of 5000 m

## INFORMATION

Town:	Limoux
Department:	Aude
Bed:	5
Bath:	1
Floor:	140 m <sup>2</sup>
Plot Size:	5000 m <sup>2</sup>

## IN BRIEF

Architect designed villa in Limoux | 1300 France South West on a large and magnificent plot of 5000 m<sup>2</sup> on wooded parkland in a marvellous location, quiet, original 140 m<sup>2</sup> built in the 1960's

With its south-westerly aspect and uninterrupted, panoramic views over the heights overlooking the old town, the hills of the Limoux area and the Pyrenees, this is a unique, secluded property that is only 5 minutes' walk from the centre of Limoux | 1300. You'll be in the country yet in the city.

The layout makes it possible to build several other houses, remote and isolated from the Architect's villa, which could be of interest to a private individual or investor to build to rent or sell on a plot of 1200 m<sup>2</sup> to be kept or set aside for cultivation.

In need of renovating and updating internally.

## ENERGY - DPE

NB. Quoted prices relate to euro transactions. Fluctuations in exchange rates are not the responsibility of the agency or those representing it. The agency and its representatives are not authorised to make or give guarantees relating to the property. These particulars do not form part of any contract but are to be taken as a general representation of the property. Any areas, measurements or distances are approximate. Text, photographs and plans, where applicable, are for guidance only. Leggett and its representatives have not tested services, equipment or facilities and cannot guarantee the same.

Particulars for off-plan purchases are intended as a guide only. Final finishes to the property may vary. Purchasers are advised to engage a solicitor to check the plans and specifications as laid out in their purchase contract with the developer.

## DESCRIPTION

This villa, insulated in July 2023, has 5 bedrooms, lounge, dining room, bathroom, 2 WCs and a large terrace. It will charm you with its various and incredible layout possibilities.

It also benefits from a large basement with insulated garage, insulated utility room, ironing room, bedroom or study at your convenience, wine cellar, central heating with 11 cast iron radiators and air/water heat pump installed in August 2023 with thermodynamic hot water tank heated with photovoltaic solar panels.

The attic, which includes a double-flow ventilation system for the whole house, has also been insulated.

Energy diagnostic B estimates annual energy costs for standard use at around €720 per year (including subscriptions).
