DESCRIPTION

The property:

Estate in one piece, with a surface area of more than 21,3661 m², bordered by the well-known GR 4 hiking trail

located in an exceptional setting with a magnificent 13th century castle in the immediate vicinity which adds its beauty to the natural, wooded setting.

Main features :

Village located in ZRR (Zone Rurale de Revitalisation)

A 10-hectare lake with a 350-metre dam and a depth of over 5,6 metres - 1 secondary pond (6 m deep at the level of the sparrow).

secondary pond of 1,900 m² and another of 900 m².

Over 60% of the water for the ponds comes from inexhaustible natural underground springs.

The quality of the water allows it to be used exclusively for the noble fish of mountain lake salmonids.

In compliance with DDT regulations - Prefectoral decree dated 25 November 2019 - Supplemented by

a regularisation report issued on 02 July 2024 for all the works, an ecological hydraulic diversion hydraulic diversion, installation of a hydraulic monk, reinforcement by riprap of the entire dike and a new flood spillway.

The entire perimeter of the lake is accessible via a pathway, and the property is lined with numerous deciduous trees.

border the property.

A large meadow adds considerable value to the estate.

The estate's potential :

A residential destination for people looking for an exceptional natural setting,

no surrounding nuisance, guaranteed peace and freedom.

The richness of the protected fauna and flora are also attractions for this type of location.

type of place.

An estate with huge potential for the creation of a
