NOTES

DESCRIPTION

Character house located on the outskirts of a village, just 20 minutes from Limoges, in a quiet, private setting, offering distinctive rural architecture.

The basement features a spacious garage as well as several storage areas, including a boiler room, laundry room, cellar and various additional storage possibilities.

On the first floor, you'll find a large, bright living room, with a terrace to the front and a winter garden to the rear, creating a beautiful harmony between inside and outside. The kitchen is equally spacious and functional, with access to the winter garden adjacent to the house. This level also includes an entrance hall, bedroom, shower room and separate toilet.

Upstairs, a landing leads to two bedrooms, a bathroom and a separate toilet. Both bedrooms benefit from access to additional attic storage space. A sauna with indoor cold-water bath has been built outside the house.

The site, consisting of meadows and forest, also has its own carp pond. Another caravan or motorhome shed with storage space is located on the site. Near the pond, an awning has been built for a caravan. This makes it possible to rent or offer space to friends and family.

! The installation of a heat pump is planned, which will significantly improve the heating performance of this property.
