Particulars for off-plan purchases are intended as a guide only. Final finishes to the property may vary. Purchasers are advised to engage a solicitor to check the plans and specifications as laid out in their purchase contract with the developer.

DESCRIPTION

L'échappée is a charming development that blends traditional alpine aesthetics with modern comfort and sustainability. Comprising five small chalets designed to mimic a picturesque alpine hamlet, this project is nestled in a prime location between Morillon and Samoëns.

Key Features:

Location: A 15-minute walk to Morillon's center, with easy access to Samoëns via a scenic walk or bike ride along the Giffre River. Two ski bus stops are just a short stroll away, and the Vercland cable car and local restaurants are a quick 5-minute drive.

Design and Construction: Each chalet is built to the latest thermal standards using bio-sourced materials by local companies. They include a lift, digicode access, an individual gas boiler, a basement garage/parking, a cellar, and a ski locker. The development holds Effinature and Biodiversity certifications, emphasizing its eco-friendly credentials.

Architectural Style: L'échappée mirrors the historical charm of the region with a stone-style base, wooden framework, and gabled roofs, reflecting the traditional alpine chalets, some of which date back to the 19th century. The development includes a quaint internal street that enhances its old-world village feel.

Affordability and Security: The builder offers these modern homes at a competitive price, with the added assurance of a secure financial guarantee and acquired planning permission, making this an attractive investment opportunity.

Scenic Surroundings: Set against a forest backdrop, the chalets provide a serene setting with stunning views of the Aiguille du Criou, ideal for nature lovers and outdoor enthusiasts.

L'échappée is not just a place to live but a...
