## DESCRIPTION

The property itself is a blank canvas to put your own mark on.

As you enter the front door there is a porch area then the lounge with fireplace, window to the front and patio doors to the rear. Off this room there is plumbing for a bathroom but at present just has a WC and sink. The floors have been prepared with a level screed for you to choose your own choice of floor covering, throughout the ground floor. Next to the lounge the plumbing and wiring is all ready for a kitchen of your choice with a back door to the garden. Off this room are the stairs leading to the bedroom. Next to what would be the kitchen is another room which has the plumbing and power for a utility room plus a basic mezanine floor - let your imagination run wild!

At the end of the house is another room with mud floor, to be renovated.

Upstairs there is a large, bright bedroom with modern velux windows and electric radiators. On this floor there is a large landing and a bathroom with WC, bath and sink.

Attached to the house is a small outhouse which is currently used as a wood store. The garden is laid to lawn with far reaching views. At the side of the house is a micro fosse system.

Opposite the property is an ancient, working well which also belongs to the property.
