NOTES

DESCRIPTION

The current site offers a single storey principal residence in a wood chalet style of 130m² which has been completely renovated and insulated for modern living and offers amazing views of one of the two lakes.

There is also a wooden reception building at the entrance to the property and 3 independent chalets each of 35m² with their own terrace overlooking a secure swimming pool, kids play area and volleyball court and a pool house with toilets.

Planning permission is in place for a further 36 dwellings with the possibility of more subject to approval. In total 23 are serviced and 17 semi-serviced (the distribution remains to be completed and all the equipment is provided). A septic tank is installed, another brand new one is provided. The sewer, water, electricity and fire networks are done. Only the connection of the TGBT to the transformer is to be carried out as well as the finalization of the distribution of the 17 locations.
