DESCRIPTION

GROUND FLOOR

Basement
Workshop
2 garages

FIRST FLOOR (HOUSE PROPER)

Kitchen
2 lounges
Dining room
4 bedrooms
2 with ensuite facilities
Separate bathroom and WC

The whole property needs to be emptied, cleaned and redecorated. The windows are single glazed and the insulation can be improved. The heating is via a town gas boiler (situated in the workshop) but this has not been serviced recently and the vendors make no claim that it functions.

There are attic spaces above, one of which has been converted to make another occasional room.

The property is partially connected to mains drains, leaving one part to upgrade.

EXTERIOR

There is a south facing terrace at the rear of the property which whilst overgrown now, could offer a lovely space for outdoor dining.

Across the road (a no-through road), there is a large garden, again, now overgrown but well planted and with a small water feature.
