DESCRIPTION

This sizable house is located in a very quiet area between Moulis and Castelnau de Médoc. It's displaying 2 bedrooms, 3 bathrooms, an opened kitchen and a large living room with mezzanine, all of it with large openings.

The large garage represents a good potential for evolution: it could be transformed to increase the habitable space or it could be used to develop a commercial activity.

The house has a central position on the 1700 m2 garden on which a pool can be added.

This building is entirely equipped with air con (even the garage) and the livable space is floor heated.

Amongst the other qualities of this house, its ground floor has been adapted for disabled people. Moreover, the large mezzanine on the south exposed living room can be transformed as a bedroom as it's already equipped with a bathroom.
