IN BRIEF

Located a few minutes walk from the centre of the village, this charming house has been lovingly renovated to provide a comfortable modern home with some enchanting character features. As well as the lovely attached garden with a sunny terrace and a shaded terrace for eating, there is a useful garage (and even the possibility to buy a little car). A short walk away is a piece of woodland (540m²) near the river, to encourage you to get out into nature and feel the calm serenity that will help you live a long and happy life.

There is a lot going on in the village all year round so this would make an ideal permanent home, but is also a good lock-up and leave holiday home. You can swim in the river and enjoy the wonderful, free concerts...
