## NOTES

## DESCRIPTION

This property, approximately 288 m<sup>2</sup>, beautifully combines the charm of traditional architecture with modern comforts, while offering exceptional energy efficiency.

It features multiple eco-friendly and economical heating systems: aérothermal, géothermal, electric heating, and photovoltaic panels. A true opportunity for those seeking quality of life while respecting the environment.

In the main farmhouse, the ground floor opens onto a bright living space with a wood stove, a separate kitchen, and a bathroom. A pantry, boiler room, and cellar provide optimized storage areas. Underfloor heating throughout ensures optimal thermal comfort. Additionally, you'll enjoy a double garage, a single garage, and ample parking space.

Upstairs, the property can accommodate up to 10 people, with air-conditioned suites featuring private bathrooms and toilets, a family room with four beds, and a classic room with two beds, plus a shared bathroom.

The independent guesthouse, with its private entrance, can host between 5 and 7 guests. It combines modernity with authentic charm, featuring two air-conditioned bedrooms and a beautiful terrace with panoramic views.

Beyond its high-end amenities, this farmhouse stands out for its excellent energy efficiency, ensuring low costs and minimal environmental impact.

Don't miss this rare opportunity to acquire an exceptional turnkey property, ideal for a bed-and-breakfast project or a large family, all while benefiting from unparalleled energy performance. Contact us today to arrange a visit and discover the full potential of this unique property!
