Discover an unique place

In the heart of the village, this large house of character extends over three floors and exudes charm. A stone's throw from the famous Nantes-Brest canal and a peaceful pond.

From the entrance bathed in light, an open kitchen invites you to share meals, while the living room, heated by a pellet stove, promises mild winter evenings. A ground floor bedroom, with its private bathroom and toilet, opens onto the garden and has private access which could be suitable for rental.

A beautiful wooden staircase leads to the first floor, where the landing reveals two bright bedrooms and a bathroom with toilet. A large living room area completes this floor, which can be transformed into an office, additional bedroom, music room or other, according to your desires.
