IN BRIEF

Located in La Motte-en-Bauges in the very heart of the massif des Bauges national park near Annecy, this large village property has planning permission to convert into 3 spacious apartments, ideal for a strong long-term rental income or for resale. Rental properties are in very short supply in the Bauges, as are new apartments to buy, so this represents a great investment opportunity

The property has multiple entrances which makes it very easy to divide into apartments with ample parking in the rear garden with a wonderful view of the mountains. Situated only 2km from Le Chatelard, 3km from Lescheraines. 20km to lake Annecy, 27km to Annecy town and 30km to Chambéry. The ideal location with easy access to all of Savoie and Haute Savoie.
