## IN BRIEF

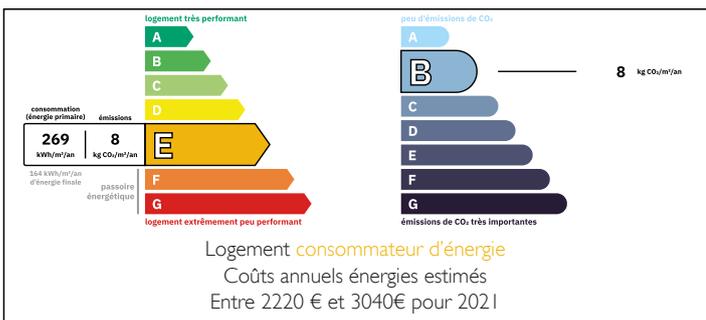

\*\*\* OFFER ACCEPTED \*\*\*

A real gem + a must see property offering a perfect balance of old and new. Tastefully refurbished to offer all the modern comforts of double glazing, pellet + wood burning stoves enveloped in exposed périgourdine warm honey coloured stone walls and exposed timber ceiling beams. And if that was not enough character, the property sits on the site of the old rose distillery of yesteryear !!

Situated on the north banks of the Vézère this house offers elevated views of Montignac-Lascaux; home to the Lascaux caves, a Unesco World heritage site - being high up there is little to no risk of flooding

The current owners have tastefully enhanced and improved the property over years resulting in a perfectly balanced town house which can be used for all year living or an ideal lock and leave...
