DESCRIPTION

Discover the charm of hamlet living with this unique property nestled in the stunning Haute Vienne countryside, featuring attached two houses, each brimming with potential and character.

House One is almost ready to welcome you home, boasting a formal hallway that leads to a grand salon with a cozy fireplace. The inviting kitchen, equipped with a wood-fired range that not only cooks but also heats your home, flows seamlessly into a lovely patio area featuring a whimsical frog pond.

You'll also find a full shower room and a utility space on the ground floor, alongside internal access to a spacious garage.

Ascend to the first floor to discover a master bedroom complete with an ensuite and a walk-in wardrobe, along with two additional bright bedrooms and a family bathroom for convenience.

House Two offers a blank canvas for renovation enthusiasts!

The ground floor features a welcoming salon and a large kitchen-dining area that opens up to a sunny patio—ideal for al fresco dining.

The first floor is cleverly divided into two sections, each with its own stair access. One area would be a master bedroom with an ensuite, while the other features two additional bedrooms (one with an ensuite) and access to a convertible attic, perfect for creating additional living space.

Both homes can easily be connected through an old doorway that's currently sealed, offering endless possibilities for configuration.

Outside, the open grounds include an old workshop/hangar, ripe for transformation into a charming summer kitchen...
