NOTES

DESCRIPTION

The Property...

Finally !!! For a long time developers have been building and selling apartments in the Serre Chevalier area which are called "residences de tourism" or "leasebacks". Now at last, a reputable company is able to sell high end apartments with no obligations for management contracts.

This means the new owners will be able to use them at their own discretion and decorate them as they wish.

The new "Aguila" residence will be a small, high end property just on the edge of the village composed of 13 units of different sizes. It will be just 500 m from the heart of Chantemerle and the ski lifts.

The apartments will vary in size from 50 to 100 m², having 1, 2, or 3 bedrooms. They will come with private parking and prices are between 400,000 € and 850,000 €. Many of the units will come with a garage in the underground car park.

The new owners will be able to apply for a 20 % VAT refund on completion if they declare that the units will be available for rentals. This can be achieved using a French Tax Representative who will make the application on behalf of the buyer.

The apartments will be delivered with all floorings, decorated walls, fitted windows and doors, bathrooms and quality kitchens.
