DESCRIPTION

This home is washed in natural light, with large windows overlooking the Lot River.

The entrance hall leads to the ground floor which includes the stylish yet functional kitchen and dining room, and a laundry room with lots of storage space. The dining room overlooks the river. The elegant living room features a fireplace and a large balcony overlooking the river with plenty space for outdoor entertaining.

Upstairs, there is also a large study and TV room, perfect for work and entertainment.

There is a beautifully created, above-ground swimming pool. This has really been carefully thought out and proves the opportunity of lying in the pool "with a glass of cool white wine" looking out over the beautiful river, high enough to provide privacy, yet outstanding views surround. There is a large covered terrace facing the garden, again with ample space to relax, entertain and to enjoy the views.

There is parking for four cars with the gates closed and more if open.

The property also has a wine cellar, games room, storeroom, and workshop on the garden floor.

Heating is by town gas central heating and the property boasts double glazed hardwood (mahogany) windows. The house is connected to the mains sewage system, which eliminates any concern about septic tanks.

The property is in the village and therefore within walking distance of restaurants, supermarket, post office and all village amenities.
