### IN BRIEF

This is a beautiful property which has been tastefully renovated and retains many period features; it is a real rural retreat. The current owners have spared no expense updating their home. The property is well insulated, it is partially double glazed, it has been rewired and has a new heating system consisting of a wood burner boiler and new 'old style' radiators throughout.

With 8 bedrooms, this property would be perfect as a chambre d'hotes or as a yoga retreat.

The grounds of more than 4 hectares are just delightful with private gardens and tranquil woodland with leafy paths to explore.

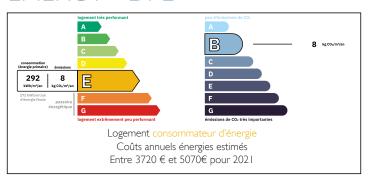

Nearby, there is a 2 storey wood store, a large barn and a pretty stone cottage, which could be renovated to create a gite.

# This property offers its next owner so many exciting opportunities!
