DESCRIPTION

Located at the end of a lane this beautifully renovated cour de ferme is a haven of peace nestled in the countryside and yet minutes from all amenities and the coast.

Entering the courtyard you can close the gates and you're in your own little world. A wonderfully tranquil walled garden with lawn, vegetable plot and green house to enjoy the long summer days. South facing and filled with sun and roses in summertime, the courtyard and garden is an idyllic space. The garden also has a lot of small fruit (strawberries, framboise etc.), fruit trees, walnut and hazelnut trees. There is a well on the property to irrigate the vegetables and flowers beds. From the courtyard we access all areas, the house, the double garage and through a door at the rear, the covered storage spaces and the large barn.

As we enter the house we are welcomed by the large bright living/dining area with double aspect windows allowing light to flow into the room from morning to evening. In living area you will find the newly installed Godin wood stove. To the right we have a utility room or a small office and bathroom off the main room and to the left the space flows through to the open plan contemporary kitchen. Fully equipped and recently installed the kitchen is a bright space with a wrap around work surface and breakfast bar. The large sliding doors to the courtyard and the picture...
