NOTES

DESCRIPTION

From the street you enter what was the shop for the garden centre. There is a small office within this space and you can also gain access into the living accommodation. There is also street access to one of the many large storage/ business units. The living accommodation is a generous kitchen/ diner, with a separate dining room and a large L-shaped lounge. There is even a hidden door giving access to the garage area. Upstairs you will find 3 double-bedrooms and a bathroom, plus access to large attic space.

The outbuilding is to the rear of the property and is divided into several sections to allow for storage of a variety of stock items for the business. The garden is behind the outbuilding and this leads onto the large parcel of land that also belongs to the property.

Each building is completely detached, although being village centre there are neighbours. The village of Brigueuil is typical of the area. It is lively, with plenty of clubs and associations, plus a primary school.
