DESCRIPTION

Prime Location: Located at the heart of the popular La Croisette area, the restaurant benefits from high foot traffic from skiers, hikers, and tourists, ensuring a steady stream of customers year-round.

Fast Service Concept: Specialising in quick, high-quality snacks and drinks, the bar is designed to cater to the fast-paced demands of tourists and locals seeking convenience. It's the ideal stop for customers in need of a quick bite or refreshing drink during their ski day.

Turnkey Operation: Fully operational with all necessary equipment, including efficient kitchen facilities and a cosy bar area. The layout and service model are optimized for fast service, reducing waiting times and increasing customer passage.

Seasonal Demand: The restaurant benefits from peak winter and summer seasons, with consistent business during the two seasons. The location ensures maximum exposure to both winter sports enthusiasts and summer visitors.

Low Overhead: The fast-service model ensures minimal staff requirements, making it an efficient and cost-effective business with a high-profit margin.

High Customer Volume: The location guarantees foot traffic, and the fast-service snack and bar model caters to a large number of customers in a short time, ensuring rapid turnover.

Low Maintenance: With a focus on snacks and quick meals, the business requires lower operational costs compared to full-service restaurants, making it an ideal option for investors seeking a straight forward business model with quick returns.

Growth Opportunities: There is potential for expanding the menu, offering delivery services or opening in an evening which could drive additional revenue during peak seasons.
